

I have filed for and received an EIN (Employer Identification Number) from IRS. Reading the Instructions for Streamlined Application for for Recognition of Exemption Under Section 501 (c) (3) of the Internal Revenue Code, Form 1023-EZ, I found this NOTE.

Note. Most organizations seeking exemption from federal income tax under section 501(c)(3) are required to complete and submit an application. However, the following types of organizations may be considered tax exempt under section 501(c)(3) even if they do not file Form 1023 or Form 1023-EZ.

Churches, including synagogues, temples, and mosques. Integrated auxiliaries of churches and conventions or associations of churches.

**Any organization that has gross receipts in each taxable year of normally not more than \$5,000.**

Triad Ukulele Club is a Non-Profit NC Corporation and Federal Tax Exempt 501 c 3 entity. We are good to go with soliciting and accepting donations, not to exceed \$5000 per year.

We must File a 990EZ before May of each year. We are already set up with IRS.
